Smart Mobile Terminal

# SUNMI L2Ks

## Define a new classic for indoor applications and beyond.

**Powered by SUNMI OS** | **Compatible with SUNMI DMP** | Google Mobile Services

### Better Protection Ratings

To withstand everyday usage, L2Ks is 1.8m drop resistant, IP68 rated and has passed 3000 0.5m tumble tests.

### ATL Large-capacity Battery, Safe And Durable

Equipped with a ATL battery cell, L2Ks features 800 charge cycles. The removable 5000mAh large-capacity battery can stand for up to 2 shifts. A new auxiliary battery helps eliminating downtime when changing the main battery.

### Professional Scan Engine

High speed — 10 scans/sec; long reach — up to one meter read distance; accurate — read just the barcode the laser aimer positioned; reliable — quickly read hard-to-read barcodes including scratched, stained, crinkled barcodes or DPM barcodes, etc.

| Hand Strap | Charging Base | Four-slot Battery Charger | Screen tempered glass | Trigger Handle | Protective Case |
